AFIO Colleagues,

Thanks to the generosity of our members the Association of Former Intelligence Officers is strong. We are focused on keeping our members connected to intelligence issues and encouraging the next generation to join our profession. We have 3,000 members and 20 chapters. Our weekly intelligence notes are popular and keep all of us connected to the activities of the Intelligence Community and the spying attempts of foreign entities. This year we've produced and released 25 *AFIO Now* video and podcast interview programs. We held two speaker events this year that were well attended and informative.

Next year we will celebrate our 50th Anniversary and are working to celebrate in style. We will reactivate our scholarship program for students interested in joining the intelligence profession.

To accomplish our goals, we rely on our members to donate their time and funding. On this Giving Tuesday please consider donating to the AFIO. A donation this year will go a long way to keeping us strong as we move into the future. Remember all donations are tax deductible because we are a nonprofit organization.

Respectfully,

Jim Hughes
President
